

Tessa King has seven best friends, four godchildren, and one big wish— *to have a life of her own*

Nothing scares Tessa King more than the thought she will never have children.

It doesn't matter how good her life is, and it is, it never feels good enough. She has four godchildren and dozens of friends, yet love eludes her.

"Ultimately the lessons learned are of love and friendship with realistic heartbreak thrown in... the story will sweep you off your feet."

—USA Today
